

Are you interested in taking part in a pioneering study to explore the geography of the brain and to map this to the way we think, communicate, use our memories and make decisions?

# BRAIN EXPLORATION

We are looking for healthy volunteers over the age of 60, with no history of neurological or psychiatric disorder. £50 will be provided to compensate for the time taken for being involved in the study.

The study involves two scans, a small blood sample and some cognitive testing. All travel expenses will be reimbursed.

For more information, e-mail us [brainatlas@kcl.ac.uk](mailto:brainatlas@kcl.ac.uk) or call us on 07534 656 301

This study is being conducted at the Institute of Psychiatry, Denmark Hill.  
As a volunteer, you are not obliged to respond to this poster,  
if you decide to take part in the study,  
you may withdraw at any time .
