VOICES FROM ANCIENT MESOPOTAMIA

A Study Day on Friday 16th September 2022 at The Menuhin Hall, Stoke d'Abernon

Speaker – Dr Irving Finkel, The British Museum

This four-part study day is an eye-opening introduction to the world of Ancient Mesopotamia, using ancient cuneiform writing and inscriptions with surprising results! An important point that will be considered is that, thanks to their own words, how long-dead Sumerians, Assyrians and Babylonians are surprisingly accessible to us, and even familiar to us, when you look carefully.

Programme

9.30 Registration

10.00 **The Wonder of Cuneiform** – What cuneiform writing is, how it came into being, and the extraordinary range of exciting documents that have come down to us, and how clay tablets excavated from ancient Iraq present us with the oldest words and ideas, beliefs and fears.

11.00 Coffee / Tea

11.30 **The First Ghosts** – The subject of the speaker's recent book, this talk uses a special group of cuneiform tablets to look at this most ancient case of the belief in ghosts and how Mesopotamian exorcist specialists dealt with them, or called them up to answer questions.

12.30 Lunch – Bring-Your-Own – Tea / Coffee available

1.30 **The Ark Before Noah** – In another book the speaker described how a cuneiform tablet from 1800 BC came to light with instructions for building a great boat against the imminent Flood to safeguard animal life, ancestral to the Noah story in the Book of Genesis. The details were so exact that a modern replica of this ancient craft was built, as shown in a TV documentary.

2.30 Tea / Coffee

3.00 **The Ark Affair: The Consequences** – The finding of this new pre-Biblical Ark narrative from Mesopotamia provoked many reactions around the world, and rank opposition from fundamentalists and other interested partners. The day will conclude with a slightly humorous look at some of the speaker's experiences in this regard. and consider the role of truth in a world where logic and accuracy have to fight to be heard.

The Menuhin School was founded in 1962 in London and moved to its present site in 1964. It has around eighty pupils learning to play stringed instruments including piano and is financed, in part, by the DfE. Lord Menuhin was born in New York on 22nd April 1916 and died on 12th March 1999 in Berlin. His parents had come from Russia. His first public concert was in March 1924 and his first in Europe, in Paris, in 1927. His performance of Elgar's Violin Concerto was recorded at the Abbey Road Studios in 1932. The Hall, designed by Mark Foley, was conceived as a memorial to Yehudi and was handed over to the school on 5th August 2005. The official opening was on 7th January 2006. Yehudi is buried by the stone pillar in front of the Hall. Nearby is an oak which he planted on his 80th birthday. The Hall was first used for a Surrey Network Study Day on 14th October 2005.

STUDY DAYS AT THE MENUHIN HALL

Surrey Network Study Days – After an eighteen-month gap, study days at The Menuhin Hall resumed in September 2021. We welcome members to our study days in the hall, as in the past, while also making it possible to view the study days remotely.

Advertising & Booking – The practice of applying by post or by email will continue, with booking responses being sent as members chose, while payment can be made by cheque or bank transfer. We have discussed using on-line booking and consider that this is our likely next step, but the workload in setting up the programme for 2022 and 2023 is our first priority. We advertise the study days with full details and booking forms on our website – <http://u3asites.org.uk/surreyu3anetwork/> and also circulate the information electronically to all u3as in Surrey Network and surrounding areas. In the past we posted booking forms to all those u3as but as the great majority of members have internet access and due to the work involved, we have decided to discontinue that service. We have been electronically circulating a poster suitable for advertising the future programme on display boards or websites and this will continue. The booking fee was £9 when the study days started in 2004 and has been £10 for the last five years. The fee will rise to £12 in 2022 with the virtual attendance fee staying at £5. The fee for guests will rise to £15. Further information is given above, including the booking form, details of the programme and the speaker's background.

Nut Allergies – The Menuhin School has pupils who have an allergic reaction to nuts and the staff have taken the decision to make the school and the Menuhin Hall a nut-free environment. Please ensure that your lunch does not contain any trace of nuts.

Disabled Parking – There are six spaces behind the hall and there are more in the main car park. If you have a blue badge and need level access to the hall, then tick Disabled Parking on the booking slip; you will then be allocated a space at the back of the hall and sent a permit. There is a drop-off space where disabled members have level access to the hall.

Wheelchair Spaces – If you need a seat removed in the hall to accommodate a wheelchair then tick Wheelchair on the booking slip.

Appreciation of Team Members and Plea for Support – Over the period of lock-down we were very sad to hear that four team members had passed away due to various causes and we wish to acknowledge the valuable support they gave for many years; Alison Gaitonde, Banstead u3a, John Harbridge, Dorking u3a, Sheila Hill, Fetcham u3a and Sheila Pomfret, Bookham u3a. The study days have been running successfully for eighteen years and new volunteers with ideas for the future programme and the energy to help run the study days will be made very welcome, Our website is based on the u3a software Site Builder, and as a transfer to a new system is required in 2023 some extra support for the website would be very welcome.
